Intimations.

TITLE ROCKY MOUNTAIN WONDERS.

THE Managers of the Bazaar regret to announce that for the present they are compelled to POSTPONE the Performance advertised for TO-MORROW, as they have been unexpectedly desired by the Military Authorities to remove the Band and Orchestra from the premises, on the ground that they had contracted with the sanction of the Military Authorities on the plot of Ground behind the Bazaar.

When this unforeseen order was received, the Managers represented that they had in view the convenience of the public, and were anxious to a considerable extent in erecting the Building, and begged that they might be allowed to remove the Band and Orchestra to some other place, as they were confident that their expenses might be reimbursed, but they have considered the following letter from the Authorities.

HONGKONG, 30th June 1897.

"SER—A communication by Major-General Sir James Duff, commanding the Hong Kong Garrison, has been received, in which he has been requested to remove without delay the Band and Orchestra from the premises of the Bazaar, on the ground that they have contracted with the Military Authorities in view of the ANTICIPATED BARRACKS—Yours obedient servant,

W. S. SEAW,
The Adjutant-General.

TO MR CHARLES DENNER,
"Agent to Acrobatic Troupe."
